The wheels on the bus go
Round and round
All through the town

Here is the engine on the track
Here is the coal car, just in back
Here is the boxcar to carry freight
Here is the mail car, don't be late
Way back here at the end of the train
Comes the caboose though sun and rain

Zoom, Zoom, Zoom

If you want to take a trip,
Climb aboard my rocket ship
Zoom, Zoom, Zoom
We're going to the moon
In 5, 4, 3, 2, 1 ... Blast off!

Green says GO

Hurry hurry, drive the fire truck
Hurry hurry, drive the fire truck
Hurry hurry, drive the fire truck
Ding, ding, ding, ding, ding

The grand old Duke of York
He had 10,000 men
He marched them up the hill
And then he marched them down again
And when they were up they were up
When they were down they were down
And when they were only halfway up
They were neither up nor down!

A hip, a hip, a hippopotamus
Got on, got on, got on the city bus
And all, and all, and all the people said

"You're squishing us!"
A cow, a cow, a cow got on the bus
And all, and all, and all the people said
"Moooooooooooooooooove over!"
A sheep, a sheep, a sheep got on the bus
And all, and all, and all the people said
"Baaaaaaaaaaaaaaaaack up!"

Red at the top tells me to stop
Green down below tells me to go
Yellow in the middle tells me to slow
Stop, stop, stop, go, go, WHOA!

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream
Twist, twist, twist your boat...
Bounce, bounce, bounce your boat...
Rock, rock, rock your boat...

Walking, walking, walking, walking
Hop, hop, hop (x2)
Running, running, running (x2)
Now we stop! Now we stop!
Car: Driving, driving...
Train: Chugging, chugging...

Little red caboose, chug chug chug (x2)
Little red caboose behind the train
Rolling round the track
Smokestack on his back
Little red caboose behind the train

An aeroplane, an aeroplane
Helicopter, helicopter
Aeroplane (x2)
A rocket, a rocket
Helicopter, helicopter
Aeroplane (x2)

I'm very very tall
I'm very very small
Tall, Small
Now I'm a little ball

Bouncing up and down
In my little red wagon (x3)
Won't you be my darling?
Going super fast in my little wagon...
Wheel fell off and my wagon tipped over...
I'm gonna fix it with my little hammer...

Motor boat, motor boat: go so slow
Motor boat, motor boat: go so fast
Motor boat, motor boat:
Step on the gas!

Oh the city is great and the city is grand
There are lots of tall buildings
on a tiny piece of land
Oh we live way up on the 57th floor
This is what happens
When we go out the door...
Take the elevator up, take the elevator
down (x3)
Take the elevator up, now move around!

Up and down, up and down

Shake your shakers up and down

Here we go up, up, up
Here we go down, down, down

Here we go all around!

One bright scarf in the wind will blow
Wiggle it high and wiggle it low
Shake it fast and shake it slow
Throw it up! Where will it go?
Peek-a-boo! (x2) I see you! (x2)
Cover up your nose, cover up your toes
Peek a boo! Peek a boo!
